RESOLUTION 2014-10

“A JOINT RESOLUTION ON THE DEVELOPMENT OF RENEWABLE ENERGY IN NORTH CENTRAL NEW MEXICO”

WHEREAS, North Central New Mexico possesses an abundant wealth of renewable energy resources; and

WHEREAS, our area has a long history of effective use of renewable energy resources for heating and power; and

WHEREAS, local energy generation provides more secure energy services that are less susceptible to remote outages; and

WHEREAS, renewable energy keeps our air and water clean thereby avoiding health care and other public expenses; and

WHEREAS, development of local generation of energy will provide quality employment; and

WHEREAS, leadership in renewable energy will enhance the reputation of North Central New Mexico thereby stimulating tourism, recreation, construction, and other industries;

NOW, THEREFORE, BE IT RESOLVED that the Municipal, County and Pueblo Governments of North Central New Mexico commit to developing local generation of renewable energy to provide energy needs. This will include the following:

- ▲ Formation of a regional committee to plan the transition to local renewable energy; and
- ▲ Working with New Mexico and Federal officials, utilities and rate payers to remove obstacles to local generation of renewable energy; and
- ▲ Development of local and regional energy transition plans; and Development of a regional marketing plan based on our commitment to local generation of renewable energy.

Passed and approved at the Council Meeting on 28th of February, 2014, by a vote of 4 for and 0 opposed.

Richard A. Cordova, Mayor
