

The 2018 Taos Electric Vehicle Expo

Electric transportation. Gas no mas!

We invite you to participate in the **2018 Taos Electric Vehicle Expo**, sponsored by *RENEWABLE TAOS*, the non-profit renewable energy advocacy organization in Taos, NM. Our inaugural event will feature electric cars, electric motorcycles, electric bicycles, speakers and exhibitors of other solar and renewable energy technology. More information about *RENEWABLE TAOS* can be found at www.renewabletaos.org.

VENUE: UNM's Bataan Hall, 120 Civic Plaza Drive, two blocks from Kit Carson Park, downtown Taos, NM.

DATE: Saturday, September 8, 2018

TIME: Noon to 6:00 pm for the Expo. (Exhibit setup 10am)

ATTENDANCE: We expect 200 or more attendees. We are also inviting owners of electric autos, motorcycles, bicycles, skateboards, etc., to show off the vehicles they use.

To encourage attendance at the Taos EV Expo, we are coordinating with the organizers of *Michael Hearne's Big Barn Dance* that will be held at Kit Carson Park. *RENEWABLE TAOS* (RT) will set up an exhibit table on Friday and Saturday (Sept. 7, 8). Your handout materials, if provided in advance, will be welcome at the RT exhibit at the *Big Barn Dance*, space permitting. Electric autos and other transportation may also be on display near the exhibit table. We are expecting large crowds of people attending the Big Barn Dance to be enticed to also visit the Taos EV Expo. We will have signage at the Taos Farmers Market and other locations around town.

COST: This is a free event open to the public.

AUDIENCE: We are reaching out to Taos, Questa, Red River, Angel Fire, Espanola, Santa Fe, Abiquiu, Albuquerque, Durango, Alamosa, as well as Big Barn Dance attendees.

EXHIBITS: Within UNM's Bataan Hall, there is space available for approximately 20 table-top exhibits as well as floor space. We are working with the Town of Taos to set aside parking space adjacent to Bataan Hall for up to 20 electric autos and other outside exhibits. There may be sufficient interest to close all or part of Civic Plaza Drive. Please consider making a tax-deductible donation to *RENEWABLE TAOS* to help cover our costs for this event.

EXHIBITORS: We invite auto and motorcycle dealerships, bicycle dealers, related equipment vendors (such as vehicle charging stations), solar tech companies, off-grid homeowners, the Town of Taos, Kit Carson Electric Co-op, and other renewable-focused companies and enthusiasts.

SPEAKERS: Throughout the Expo, invited speakers will give short presentations (15-20 minutes) with time for questions. Attendees will have ample opportunities to talk to vendors/exhibitors.

DEMOS: Demonstrations of electric transportation are at the discretion of the organization providing vehicles or other equipment. (Renewable Taos and UNM-Bataan Hall assumes no liability.)

FOOD: We will invite food trucks. There are many nearby restaurants.

CONTACT: For further correspondence, email to: info@RenewableTaos.org
RENEWABLE TAOS is a 501c(3) non-profit organization promoting renewable energy throughout the southern Rocky Mountain states. Visit www.renewabletaos.org for more information.
